

My Network in Healthcare

Thinking as broadly as possible, write down as many people *with work experience* as you can. Some may even be people whose names you don't yet know, but are people you see regularly, such as a shopkeeper or security guard.

How I Know This Person	Name and Job		
Personal Connections: Friends, Family, Neighbors			
Work Connections: Co-workers, Supervisors/ Managers			
Places of Business: A place where you do business, such as a store or clinic.	Business or Organization	Job	Name, if known
School Connections: Classmates, Teachers, Counselors, Administrators			
Other Connections
